

Engineering Technician Application Supplemental Questionnaire

A response to each question is required. If additional space is required, please use a separate piece of paper. Please submit the Supplemental Questionnaire with your completed application. Failure to submit a completed Supplemental Questionnaire with a completed application by the deadline will disqualify you from the selection process.

1. Tell us why you are interested in this position.

2. Why you want to work for Ute Water Conservancy District?

3. Indicate how many years of experience you have in computer-aided designing or drafting duties:
 - a. 4 years or more
 - b. 3 years of experience
 - c. 2 years of experience
 - d. 1 year of experience
 - e. No experience

4. Do you possess any formal training in AutoCAD or other computer-aided designing applications?
If so, please indicate what training you've received and what the total length of your training was.

5. Describe your experience in using land surveying instruments, data collectors/software, and devices.

6. Describe your experience producing surveying drawings/maps. What types of software did you use and what types of surveying drawings/maps have you produced?

7. Do you have any drafting related certifications? If so, please list those certifications and the date they were acquired.
